

In 2024 we held a virtual Leadership Summit with some success. We did not have the participation even though it was well communicated and coordinated with board leadership.

If we as a district want an in person summit the cost would go up for both the district and participants. In person is a way to create better momentum than can be created virtually. If we decide in person we could team up with another district like Land of Lakes or Cardinal District

Virtual or in Person do we keep the format the same as in 2024 with workshops on
President,
Secretary
Treasurer
Marketing, Membership and Music

What other topics we should cover?
Who would you recommend lead your suggested topic?

There were some chapters who are waiting for an "official visit" from Illinois Board leadership. Both the Brotherhood of Harmony and the Arlingtonres mentioned this to me when I went to their rehearsals

Harmoniously yours,
