Fellow Barbershoppers,

It is an absolute honor to stand before you today as the President of the Illinois District. As a third-generation member of this district, I have had the privilege of witnessing both the highs and the challenges we've faced over the years. I have seen the power of this organization to bring people together, create lifelong friendships, and make a lasting impact through the music we love. That history is what makes me so passionate about serving in this role and ensuring a bright future for our district.

As your president, I want to make one thing very clear: I am here to listen. The success of our district depends on understanding the needs of our members, and I promise to keep an open line of communication with all of you. Our 2025-2026 district board is committed to strengthening and growing our district while ensuring that we uphold the traditions and values that have made Illinois such a strong barbershop community.

You will hear me say this time and time again—if we don't know, we can't do anything about it. That's why we will be actively reaching out to you, our members, for your feedback and opinions on the improvements we are considering. Whether it's enhancing our events, increasing membership engagement, or finding new ways to support our chapters, your input will be the driving force behind the decisions we make.

Our goal is simple: to make this district better for everyone, whether you've been a member for decades or just joined last week. Together, we will find ways to grow, adapt, and ensure that barbershop in Illinois thrives for years to come.

Thank you for your time, your dedication, and your passion for this great district. I look forward to working alongside all of you to make the next two years a success.

In Harmony,

Ben Dirks

Illinois District President

Membership Report, Spring 2025

The current membership of the Illinois District is 552. Three chapters have official memberships under 10:

Bureau County currently has nine members. President John Swanson says the chapter is active in the community and has been invited to hold their rehearsal in a new youth center soon to open in Princeton. The goal is to get more community involvement and interaction with young people.

Macomb has an official membership of eight and remains active in the community. President Craig Rigg said they have 12 active singers, including four women who are unlikely to join the society.

Peoria has a listed membership of six. Calls to the president have not been returned.

I have had a chance to stay in touch with two chapters as a liaison.

Carbondale has a 13 members and has discussed holding a joint performance with another chapter. They held their annual show last September.

The **Waterloo** Chapter has 17 members. They remain quite consistent in their membership and activity. I caught their annual show last Fall and they had a nice turnout.

Spring 2025 IL District Marketing Report

Mission Statement – The Illinois District fosters a state of close harmony by bringing the joy and excitement of music to all people.

Vision Statement – To keep everyone singing throughout their lives.

Website

Here are the key items done since the HOD meeting at the September convention:

- Updated the site with convention-related information: award winners & contest winners. A big thank-you to Doug Ferrier, who also captured a lot of excellent backstage convention photos.
- Published fall and winter issues of “From the Vault.” A big thank-you to Rich Hansen.
- Updated the site with new data for 2025, downloaded from the BHS members-only database:
 - Chapter officers, chapter/chorus contact information, and chorus rehearsal sites.
 - District officer and operations team information.
 - Active quartets.

Note: if a chapter or quartet notices that their info is incorrect on the website, please do two things:

1. Fill out a change form from the website (or just email marketing@illinoisdistrict.org.) AND
2. Update the info with BHS member center; otherwise the next BHS data download will override any manual changes made based on their change request to the district.

- Worked with the IDEA trustees and revamped their page on the website.

Moved the QCA board info and member listing to a password-protected, members-only place.

Updated the QCA facts & trivia to reflect the 2024 contest results and moved it to the QCA “about” page.

- Periodically updated the messages on the yellow banner, the news events, and the calendar events to keep things current and make it convenient for site visitors to quickly find the latest information.

**Social Media**

- Began posting on Instagram, and started building followers there. Continued posting on Facebook for both the IL District page and the page for Harmony College Midwest.
- Highlighted all chapter shows and key public performances I was aware of. I continue to ask chapters to make IL District a co-host of Facebook events so we can promote them.
- Engaged with many posts by chapters and quartets (likes, comments, sharing posts). I worked to highlight all chapter and quartet performances, guest nights, social events that I was aware of.

Leadership Development & Planning

- Participated in the online Leadership Development training, attending all sessions and leading a class on marketing & music with Mitch Greenberg, New Tradition's director, and John Q. Morris.
- Traveled with Ben Dirks to the District President's meeting in San Antonio, participated in those sessions, and worked with Ben on reviewing our 4-year plan as well as some potential improvements for the fall 2025 district convention.

— Glenn Mills, EVP + District Marketing

3/1/25

To: Benjamin Dirks, President Illinois District
Illinois District Board of Directors
Illinois District House of Delegates

This report is going to be fairly short as I am still in the process of learning/figuring out my new position as C&J for the District. I am excited to serve in this new capacity and look forward to making the contest an enjoyable and rewarding experience for all competitors.

My goal is to open the registration process for choruses and quartets on or about August 1st. This is a little earlier than normal and should give all ensembles plenty of time to get registered.

For choruses, I am looking at going back to something we used to do in the “old days.” I would like to offer a choice of riser configuration. This will allow our smaller choruses the chance to get farther downstage and not look so small. We are working with the BCPA as I write this to see if that is going to be possible.

That is all for now. I look forward to seeing many groups cross the stage at our fall convention!!

CSLT 2025 Report

The 2025 leadership summit was held virtually on Saturday Feb 1 and Sunday Feb 2. The Saturday event started at 10 AM and concluding at 4 PM. The Sunday event started at 1 PM and concluded at 4 PM on. My job was to create communication notices for the event and then facilitate the online workshops via zoom. We sent three communication notices through the Illinois District mail service thanks to Mark Leverett. Each day we kicked off the workshops with a message from Kevin Keller to the Illinois District that was recorded at the 2025 Midwinter Convention in San An ono thanks to Glenn Mills and Ben Dirks.

The subject matter experts for the president's workshop, the first of three held on Saturday were Ben Dirks and Glen Mills. The subject matter expert for secretary, workshop was Mike Isely. After an overview of the secretary's responsibility, Mike conducted a breakout session where he reviewed the BHS member center webpage. The third workshop on Saturday was for the treasurers and was conducted in collaboration with Leif Wildman as the subject matter expert. Each workshop was designed to present information and allow chapter officers to ask questions throughout the presentations. At the end of each presentation, contact information was provided for each of the district officers who participated in the workshops. On Saturday we had 15 participants and 4 subject matter experts. A total of 11 chapters were represented.

On day two Sunday, February 2 the topics included marketing membership and music. Ben Dirks, Glenn Mills and Mike Isely were district officers who help present and answered questions from the participants Special guest. Mitch Greenberg, the director of the New Tradition chorus covered the music portion Sunday's workshop. His material was very well received. The Sunday workshop had a total of 22 participants and 4 subject matter experts from 12 different chapters.

Feedback from the post workshop survey all participants marked likely or very likely for recommending the workshop to others. Two areas of improvement for future workshops suggested by participants were more focus on retention and gaining of new members and cross chapter collaboration. Overall, the 2025 summit, which was the second one I have facilitated showed a much-improved participation rate compared to 2024. I want to thank everyone who participated and was part of the subject matter expert team, I have recordings of the workshops and the slide decks used for the presentations available in a pdf format on the g drive link below.

 - **Misc. SPEBSQSA Finalist Pins & Old Logo Block Press by Anonymous**
 - **Barbershop Ballad Songbook/George Coulsen Membership Certificate by the Alan Kershner family (Richard Hise Collection)**
- With the passing of Joe Sullivan, and taking into consideration the ages of current historical committee members, I have appointed two new members to the district historical committee effective January 1, 2025 - **Mr. Dale Jarvis** and **Mr. Tom Kentish**. Both men bring a wealth of barbershop knowledge and experience and will be helpful in preserving our district history.
- In the fall, I received an email from Mr. Jim Gammon in Florida requesting a copy of the Mid-States 4 History & Songbook. I sent him a copy of what we have in our archives and in appreciation, he sent IDEA a donation.
- I purchased an 8 x 10 PR photo of “The Four Statesmen” off of ebay that fills a missing gap in our archival collection of champ photos. Also purchased were a mannequin torso that can be used for displays at the district fall convention and an additional 5 shelf utility shelving unit. Our collection keeps growing and space is needed for more artifacts. Receipts have been given to Leif Wildman, treasurer, for reimbursement.
- I posted the fall and winter issues of “From the Vault” in November and January respectively.

Here is my board report for the status of HCM:

For HCM 2025:

- Clinicians are all confirmed and lodging is booked, rooms assigned.
- Hotel banquet event contract has been approved and signed.
- Quartet grid and schedule for the day have been created and distributed to the patrons, as well as the music and tracks for the HCM chorus.
- All quartet slots (11/11) have been filled for the event. One quartet applied for the QCA scholarship and was approved.
- Only two (out of 10) IDEA scholarships have been claimed so far. Will be doing additional scholarship plugs at reasonable intervals as we get closer to the event.
- Attendance for the individuals is only at 26 so far, but Tim and Dan reported that the numbers are always low until a couple weeks before the event and they pick up significantly.
- Planning joint afterglow rooms for clinicians hospitality suite and presidents hospitality suite(were able to secure rooms next to each other).

Considerations for 2026:

- Will book featured quartet immediately after we secure 2026 dates. Considering Three and a Half Men, Gimmie Four, First Take, Quorum, and others.
- We will pursue securing the head clinician at the same as the quartet. The difficulties in securing the head clinician were why things were so backed up this year for advertising. Goal will be to have secured by no later than the beginning of August so we have time to get promotional material made and sent at the Fall Convention.
- May consider increasing the number of quartet coaches by 1 or 2 to add additional quartet slots.

Let me know if you need anything else.

Thanks!

Mark

Illinois District Chapter Presidents' Council Report

The Chapter Presidents' Council held its initial meeting in June, 2024.

The intent is to provide a mechanism through which individual Chapters can communicate and collaborate amongst each other directly. Hopefully, by getting together and relaying our local concerns and or suggestions, we can assist the District in its decision making process involving Barbershop Harmony's policies and its future direction. *(there is strength in numbers)*

Topics that have been discussed include: Conventions, upcoming Chapter activities, developing inter-chapter activities like Jamborees, membership retention, youth-in-harmony and community outreach, etc...

Last meeting, we had approximately 8 participants. Mike Isely has conducted an "audit" of Chapter Presidents and has reached out to them in an attempt to "draw in" more participants throughout the District.

Any and all representative voices from the Chapters in our District are invited and encouraged to participate.

CPC meetings are held every two months via Zoom on the second Sunday evening of the month. The next meeting will be held on 11 May at 8 PM. There is also an email group for online communication, bhs-illinois-chapter-presidents-council@googlegroups.com – see Mike Isely to be invited to it if not already subscribed.
