OLD BUSINESS

- Chapter President Council update – Ben Dirks
 - Google Group set up
 - Meeting every 2 months
 - Plan to meet at the district convention
 - Invite a rep to be present at Board meetings?
 - ◆ Add this person to the district Board group
- Fall Convention Update – Jeff Bowyer
 - Just completed pre-convention meeting, actions underway for the upcoming conventions
 - Doubletree is full, 104 rooms there. Still have space in the block at the Holiday Inn – doesn’t stay open indefinitely.
 - This is the ISU homecoming weekend, rates are high and demand is high.

DRAFT MINUTES (2-Mar-2025) – NOT APPROVED

BHS Illinois District Board Meeting

3-Aug-2024

- Chorus Director Event – Carrier Marcotte
 - Still looking for a clinician – those tried are busy.
 - Considering a later time, due to lack of availability
 - Roll this into HCMW?
 - ◆ Carrier to coordinate with Mark Servos & Jeff Bowyer to set this up.
- Chapter Training update – John Q. Morris
 - Do we go live or do we go virtual?
 - Probably better in person psychologically, but budget realities may drive this.
- HCMW update – Nathan Gross / Mark Servos
 - Weekend of March 21-23 in 2025
 - Working to solidify main quartets
 - ◆ Possibly After Hours, but not set yet
 - Reaching out to Gary Lewis to serve as the main clinician
 - Coordinating with Tim and Dan to keep things moving – drawing from prior experience.
- Website update – Glenn Mills
 - Finally up and we can update about 2/3 of it ourselves now
 - Articles can be scheduled to automatically appear (and disappear)
 - Let's get a district newsletter going again
 - District calendar on the web site is separate from the google calendar set up for the district.
It would be nice to combine these.

NEW BUSINESS

- 2025 Budget – Leif Wildman
 - Some minor cleanups, will be presented to the HOD for 2025
- IDEA discussion – Terry Ludwig / Jim Waldorf
 - IDEA runs under the legal org of the district
 - Suggestion to separate IDEA and move district assets there?
 - ◆ Is this even possible?
 - Champaign chapter
 - ◆ Was closed by BHS without our knowledge
 - Given behavior of BHS with respect to Champaign chapter, there is a real concern about BHS possibly shutting down districts and getting control of IDEA funds
 - This is not a simple problem; no resolution at this point.
- 2025 Slate of Officers – Jeff Lathom
 - Glenn Mills as incoming EVP
 - Terry Ludwig to handle C&J
- Next meeting
 - 21-Mar-2025, 7pm (Friday night of HCMW)

Adjourned: 8:10pm

To: Illinois District Board
Illinois District House of Delegates

From: Terry Ludwig
Illinois District President

Friends,

It's hard to believe that my 2 year term as President is almost over. It has been filled with many wonderful moments and the honor of meeting so many of our District members. The last 2 years have been truly life changing because of YOU.

Our Fall Convention is almost upon us and registration is open. Last year was one of our best conventions in recent memory and I hope that this year will top it! Smagfest will be returning, we will have the Illinois District Polecat room and we will have the "District Dance Card" again and hopefully many more great events for you to attend. Like last year, IT'S ALL ABOUT THE SINGING! Get out, meet new friends and sing a song or a tag.

The website has been updated and it will now be much easier for us to keep it current. Please make that your first stop when you have questions about events happening in the District. Thanks to Glenn Mills for heading up that project.

A final reminder to our members... we work for YOU. If you need something or have a comment or concern please contact someone on the Board and we will be glad to lend a hand.

In closing, I want to thank all of you for the support and kindness you have shone me over the last 2 years. It is an honor and a privilege to be the President of this great District and I am in awe of those who have walked this path before me.

Yours in song,
Terry Ludwig

August 2024 IL District Marketing Report

Mission Statement – The Illinois District fosters a state of close harmony by bringing the joy and excitement of music to all people.

Vision Statement – To keep everyone singing throughout their lives.

Website Project

The new site launched without a hitch, other than me working with Dan Woodman to fix some things prior to and just after the launch. Big thank-you's to Rich Hansen (history) and Doug Ferrier (awards) for helping to proofread portions of the site.

NEXT DATA DOWNLOAD:

If possible, I'd like to have Mike Isely download a file with district quartet member and contact info from BHS in early late August or early September so I can update the website with the current/active quartets.

FASTER NEWS UPDATES:

The admin tools enable me to put news updates and calendar events on the website much more quickly. We can write news updates and schedule them for future dates. We can also have news articles expire on a scheduled date. This was very useful as we promoted that fall convention registration was open. The admin tool broke in late June and it took a while for Magic Blue Box to fix it. It's working again.

EASIER AWARD UPDATES:

Now that the award data feeds from a google sheet to the website, in the future when we have new award winners, we only need to add the new info to the google sheet. It will be faster and easier to keep the site up-to-date.

Social Media

Throughout the spring, I highlighted all chapter shows I was aware of. I continue to ask chapters to make IL District a co-host of Facebook events so we can promote them.

Engaged with many posts by chapters and quartets (likes, comments, sharing posts). I worked to highlight all chapter and quartet performances, guest nights, social events that I was aware of — especially fabulous performances at international by Sound of Illinois, Linc 182, Lake Shore Drive, After Hours.

Future (same list as last report, as I took some time off this summer for a vacation, lots of summer boating, and a trip to International contest)

Continue to engage with barbershop-related posts.

Explore getting more involved with Instagram & Tik Tok

Look into fixing the X account (it was apparently set up in 2012 by whoever was the marketing person & uses their email address. I can't log into that account).

Promote district chapters/quartets who compete at International.

Promote the Fall Convention (the dates will be added to the new site as soon as it launches)

Contact chapter marketing officers, find out who does their social media, and engage with them. Ask for them to record and send video clips to me so I can post interesting content (see below).

Personal Development

1. Learn how to use MailChimp. Marc Leverett volunteered to send district emails. I want to learn how it works so I can serve as a backup + begin to assess whether we can pull off a district e-newsletter in the future.
2. Learn from Joe Gurreri how he creates social media posts with videos. I am unskilled in this area, and would like to learn this. We could perhaps boost the district's presence on Instagram & Tik Tok, which are video-driven social networks. I downloaded Canva and I'm teaching myself how to use it to create stuff. More to come.

IL District Chorus Director Development report 7.29.24

Greetings all,

Here is the Chorus Director Development report for 7.29.24

Theo Hicks recommended that I reach out to David Zimmerman for a director workshop. David was booked for July and August. I emailed David to inquire about booking a future date.

I am seeking input from the board as to what time of year/month would be good for a workshop. Should we look at January 2025? That is not as busy of a month in the "barbershop community," and we could also plug Harmony College Midwest at the workshop. Thoughts?

Respectfully submitted,
Carrie Marcotte

In 2024 we held a virtual Leadership Summit with some success. We did not have the participation even though it was well communicated and coordinated with board leadership.

If we as a district want an in person summit the cost would go up for both the district and participants. In person is a way to create better momentum than can be created virtually. If we decide in person we could team up with another district like Land of Lakes or Cardinal District

Virtual or in Person do we keep the format the same as in 2024 with workshops on
President,
Secretary
Treasurer
Marketing, Membership and Music

What other topics we should cover?
Who would you recommend lead your suggested topic?

There were some chapters who are waiting for an "official visit" from Illinois Board leadership. Both the Brotherhood of Harmony and the Arlingtonres mentioned this to me when I went to their rehearsals

Harmoniously yours,
John Q

DISTRICT HISTORIAN REPORT – FALL 2024

- Since the last report, donations of materials have been made to the archives. They include the following:
 - **SOI Show Program – April, 2024 (Rich Hansen)**
 - **Small Fire Safe (Rich Hansen)**
 - **Joe Sullivan Barbershop Memorabilia (Molly Brander – Joe’s niece)**
- In June, I purchased a set of old photographs depicting several Illinois quartets off of ebay. These came from shows that our quartets did in the Sunshine District during the 1950s and 1960s. Several good promo shots of past International Champs were also included and added to the district archive. Receipts have been given to Leif Wildman, treasurer, for reimbursement.
- Discussions are ongoing with Doug Ferrier of the Awards committee in locating a jeweler in the Bloomington area that can repair & clean the original QCA trophy for display purposes at fall conventions. More details forthcoming.
- I posted the summer issue of “From the Vault” in July. It is a tribute to Joe Sullivan, who recently passed. Previous issues are available as well by access through the newly designed website.
- As always, I would gladly take any materials that members or their families may have related to district history to add to the collection.

OLD BUSINESS

- Fall Convention recap
 - Overall
 - ◆ Overall great impressions
 - ◆ No significant issues
 - ◆ New location for quartet semi-finals (at the church) was terrific
 - ◆ Some tweaks for Saturday morning being considered, but nothing major.
 - ◆ Consider making the chorus contest start earlier with the convention activities happening in between chorus and quartet competitions – will allow choruses to participate more in the convention.
 - ◆ Best attended QCA show in years
 - ◆ A lot more singing at this convention than in years
 - ◆ Need to more formally set the time when the 50 year members are recognized – probably at the quartet finals or the president's reception.
 - Put the list in the program as well.
 - Notes about future conventions:
 - ◆ Note correction from last Fall's venue discussion: BCPA is in fact actually cost competitive compared to other possible venues.
 - ◆ Note also that ISU has their homecoming weekend overlapping our convention for this year – but ISU will be looking to October in the future.

DRAFT MINUTES (2-Aug-2024) – NOT APPROVED

BHS Illinois District Board Meeting

16-Feb-2024

- Financial
 - ◆ Per-event ticketing needs to be improved. Will set up a table at the BCPA, in spite of the entanglement of TicketMaster.
 - ◆ For Fall 2023, loss of \$2500 (as opposed to \$10000 in prior years). But that's OK because it's part of what the district does and that's why we have dues.
 - ◆ Ads were a money loser, however it's because we didn't get the word out soon enough. Lesson learned, let's get this started sooner for 2024. Probably should be a dedicated focus for a single person.
- Website – Glenn Mills
 - We're very close. Everything is built and tidying up a few things
 - Was expecting a launch schedule, got a bill instead. Glenn won't pay the bill until the site is launched.
 - [Note to self, send self-photo to Glenn.]
- Four year plan update
 - Plan to be updated again this summer in order to keep things moving smoothly.
 - Looking to make HCMW break even in 2025.
 - ◆ Tim and Dan will be stepping away from HCMW after this year.
 - Regional social events
 - ◆ Try to get 1 or 2 social events going this summer.
 - Frequency and quality of communication with members
 - ◆ That is definitely happening
 - New participation in district board and committees
 - ◆ Going on, needs more
 - Establish district grant team
 - ◆ Falling short on that.
 - Two candidates in judging program
 - ◆ Got one so far (Jeff Lathom)
 - Establish a treble chapter
 - ◆ Peoria has a treble chorus forming up
 - District-wide Harmony-explosion camp
 - ◆ Nightmare, not happening any time soon.
 - Combined convention with another district
 - ◆ Cardinal is not an option (linked to JAD)
 - ◆ CSD – Next time they have a convention nearby...
 - ◆ LOL – probably fatal logistical issues
- District Chapter President's Group
 - Reaching out to chapters now (focusing on those not tightly coupled to the district)
 - Before the end of the month there will be an email sent out.
- Chapter Visit update
 - Need to still visit Lake County (Isely), just need to get of my butt and do it
 - Northbrook still needs to be visited
 - If there is a chapter you visited that you think could benefit from a second visit – do it!

- Director class update
 - Theo Hicks was supposed to do our director's class but canceled.
 - Probably would be good to get someone from a nearby district

NEW BUSINESS

- IDEA
 - Terry and Jim (Waldorf) pledged to IDEA to help them raise \$10K
 - A program called "IDEA Direct"
 - Mechanism is periodic ACH transfers or credit card posts
 - Will generate tax letters for those making donations
 - It's important for IDEA to become more visible and to give away at least 5% of the assets every year.
 - Looking for Board members to sign up – "lead by example".
 - If this generates an influx of huge numbers of donations, can IDEA's internal processes handle this? (Sure it's a good problem to have...)
- Funding for quartets and choruses for International
 - Current funding structure really isn't enough to cover a quartet's registrations. In the (distant) past, the funding was supposed to cover registrations, but that's back when it was scale of \$100. Do we update this?
 - The district is smaller now; we don't have the budgets we used to
 - IDEA has it written in their by-laws that they should be supporting quartets for International.
 - We need to get the word out about IDEA.
 - What about a district funded show, with profits going to the quartets. Similarities to the old CABC shows.
 - Table this for now; must be resolved before the next budget.
- HCMW status (this weekend)
 - Over 100 attendees.
 - All 10 quartet spots filled.
 - Prices somewhat higher this year.
 - Bottom line is expected to be similar to last year.
 - Only 6 or 7 (out of 10) IDEA scholarships have been mapped.
- District Dues
 - Should we consider a change? Raise? Lower?
 - Terry suggests dropping the dues by \$5. We have a good buffer, maybe we as a district can do something to show that we are sensitive to price increases (by BHS).
 - Suggest a drop of \$10 for 2 years, with an automatic restoration unless otherwise done.
 - What about lowering convention registration? A \$10 drop there will have a lower impact and it may help to encourage attendance
 - Last time this was discussed, the HOD leaned more towards dues changes over convention

DRAFT MINUTES (2-Aug-2024) – NOT APPROVED

BHS Illinois District Board Meeting

16-Feb-2024

- Midwinter Meetings recap
 - Discussion about having Midwinter in NYC – conclusion is that this is absolutely “stupid”.
 - DPC working on a number of things
 - ◆ “Value exchange program” – DPC, Harmony Hall, and Society staff work together
 - Revisit the dues structure???
 - Communication issues with the Society (are poor...)
 - ◆ Joe Cerutti – “Barbershop Expert Network”
 - Online network where anybody in the society can put there name and skills as a resource to be available to others
- District Calendar
 - Let’s set up a Google Calendar for the district, damnit
- Next meeting
 - 25-Aug-2024 (preconvention meeting at 6pm, Board at 7:30pm)
 - [NOTE: This was later changed to 3-Aug-2024]
